## Hotel Booking

The implementation of Al Anwaar Tours & Travels Pvt Ltd. into our business represented a step-change in our ability to provide industry-leading hotel Booking to our customer's .The single, aggregated platform was the Launch for a measurable positive behavioural change within our consultant base. This change was driven by the ability to easily offer multiple, relevant hotel options to our customers at best in market prices through a single point of sale. This in turn has improved both the uptake of hotels across the customer base and consequentially driven additional revenue to the bottom line. we deal in 2\* 3\* 4\* 5\* hotel categories as per client request

In addition, Al Anwaar Tours & Travels Pvt Ltd careful control of location and property data has enabled us to access a new level of data integrity around our hotel offering, and therefore provide a significantly improved reporting capability to our customers and is a foundation stone of our real-time data access. This new level of accuracy has allowed us to better leverage our hotel partners, ultimately bringing even better value to our customers.
